

Musculoskeletal Ultrasound and Regenerative Medicine for the Foot & Ankle

Course Director: Scott J. Primack, DO
September 6-8 in Philadelphia

Friday, September 6

6:30-8:00am	Registration, Continental Breakfast and Dedicated Exhibit Time
7:45am	Opening Remarks
8:00-8:30am	Machine Optimization for Foot & Ankle Ultrasound
8:30-10:00am	Musculoskeletal Ultrasound of the Foot & Ankle with Anatomy
10:00-11:00pm	Reading the MRI of the Foot & Ankle
11:00-12:00pm	Ultrasound of the Nerves Around the Foot & Ankle
12:00-1:30pm	Sponsored Lunch
1:30-2:00pm	Dedicated Exhibit Time
2:00-5:00pm	HANDS ON SCANNING Diagnostic Scanning Laboratory of Foot & Ankle with Live Models <ul style="list-style-type: none">• Nerves Around the Foot & Ankle• Needle Guidance and US Optimization• Posterior Compartment• Lateral Compartment• Medial Compartment• Anterior Compartment
5:00-6:00pm	Welcome Cocktail Reception
6:00pm	Program Concludes for the Day

Saturday, September 7

7:00-8:00am	Breakfast and Dedicated Exhibit Time
8:00-10:00am	HANDS ON SCANNING Diagnostic Scanning Laboratory of Foot & Ankle with Live Models <ul style="list-style-type: none">• Nerves Around the Foot & Ankle• Needle Guidance and US Optimization• Posterior Compartment• Lateral Compartment• Medial Compartment• Anterior Compartment
10:00-10:30am	Dedicated Exhibit Time
10:30-11:30am	General Principles of US Guided Injections
11:30-12:30pm	Common Diagnostic & Therapeutic Injections of the Foot & Ankle
12:30-1:00pm	Lunch
1:00-1:30pm	Dedicated Exhibit Time

1:30-5:30pm	REGENERATIVE MEDICINE PROCEDURES Diagnostic Scanning Laboratory of Foot & Ankle <ul style="list-style-type: none">• Platelet Rich Plasma (PRP) & Cadaveric Ultrasound Foot & Ankle Injections• Bone Marrow Aspiration Techniques Using Ultrasonography• Lipo Aspiration• Proper Cell Counting & Processing
6:00-9:00pm	Working Dinner with Lectures
7:00-8:00pm	Fact Versus Fiction and Hope Versus Reality: The Truth About Regenerative Medicine
8:00-9:00pm	Orthobiologics for the Foot & Ankle
9:00pm	Program Concludes for the Day

Sunday, September 8

7:00-8:00am	Breakfast and Dedicated Exhibit Time
8:00-10:00am	HANDS ON SCANNING Hands On Ultrasound Guided Foot & Ankle Region Injection Procedures with Cadavers <ul style="list-style-type: none">• Morton's Neuroma Injection and MTP• Sub Talor and Injection of the Ankle Joint (MTP)• Posterior Tibialis Tendon Sheath/Tarsal Tunnel Injection and Plantar Fascia Injection• Peroneal Tendon Sheaf Injection and Achilles Tendon• Achilles Tendon/Plantar Fascia Injection
10:00-10:30am	Dedicated Exhibit Time
10:30-12:30pm	HANDS ON SCANNING Hands On Ultrasound Guided Foot & Ankle Region Injection Procedures with Cadavers <ul style="list-style-type: none">• Morton's Neuroma Injection and MTP• Sub Talor and Injection of the Ankle Joint (MTP)• Posterior Tibialis Tendon Sheath/Tarsal Tunnel Injection and Plantar Fascia Injection• Peroneal Tendon Sheaf Injection and Achilles Tendon• Achilles Tendon/Plantar Fascia Injection
12:30-1:30pm	Working Lunch with Lecture Billing and Coding
1:30-3:00pm	Proficiency Examination
3:00pm	Program Concludes
