Exhibit Rules and Regulations
All Exhibitors Should Read the Following Information Carefully

Application
Application for exhibit space should be made immediately but no later than June 1, 2019 and must be submitted with a non-refundable deposit of $500.

Contract for Exhibit Space
The application for booths, assignment of space and payment of the rental deposit constitute a contract to rent the assigned space. Exhibitors failing to occupy space are not relieved of the obligation to pay the full rental fee. Available space will be allocated on a first-come, first-served basis based on the size of the space requested. Expert Education Institute reserves the right to make final space assignments or change the space assignments after the application is accepted should it be in the best interest of the event.

Sales & Order-Taking
The purpose of the exhibit is to further the education of meeting attendees through product and service displays and demonstrations. Sales and order taking are permitted provided all transactions are conducted in a manner consistent with the professional nature of the meeting. No signage or advertising of products pricing will be allowed without prior approval of EXED. Products for sale must be the exhibitors’ own unaltered, marketed products and the products or services must be pertinent to the attendees’ professional interest. Expert Education Institute reserves the right to restrict sales activities that it deems inappropriate or unprofessional. Exhibitors conducting sales and order taking are required to obtain city and/or county occupational licenses and shall be responsible for collecting and remitting all city, county and state sales taxes.

Regulations Governing Payment
A non-refundable deposit of $500 must accompany your application. The balance is due no later than October 1, 2018. Applications received after September 1 must be accompanied by full payment. No company will be allowed to exhibit unless full payment for exhibit space has been received. Failure to comply with the above request constitutes cancellation of the contract and the space will be subject to resale without full refund.

Cancellation or Withdrawal
Upon giving written notice, an exhibitor may withdraw from Expert Education Institute meeting until March 1. No refund will be given unless ExEd is able to sell the forfeited booth space to another exhibitor. In the event that the space is sold, 50% of the deposit shall be returned approximately 30 days after the close of the event. No refund will be made for exhibit space cancelled after January 1, 2019. The date on which ExEd receives the notice of cancellation shall serve as the official date of cancellation. As noted above, ExEd has the right to resell the space vacated upon notification of cancellation.

Cancellation of Event
Should any situation beyond the control of ExEd arise to prevent the event from occurring, ExEd will not be held liable for any expenses incurred by the exhibitor except the rental cost of the booth space. All sound equipment must be regulated so that it does not disturb neighboring exhibits. Management reserves the right to determine at what point sound constitutes interference with others and must be discontinued.

Expert Education Institute reserves the right to decline or prohibit any exhibit or any part of any exhibit or proposed exhibit which in its sole discretion is not suitable to or in keeping with the character of the exhibit. This reservation is all-inclusive and pertains to any person, company, products or printed material.

Subletting of Space
No exhibitor may assign or sublet the whole or any portion of space allotted, or exhibit therein any product other than those manufactured or sold by the exhibitor in the regular course of business, nor permit any representation of any firm not exhibiting to solicit business or take orders in the space. Violation of the above will risk cancellation.

Floor Plan Revisions
In the event of conflicts regarding space requests, or conditions beyond its control, EXED reserves the right to revise the floor plan.

Fire Department Regulations
No combustible decorations, such as crepe paper, tissue paper, cardboard, corrugated paper, shall be used at any time. All packing containers are to be removed from the floor and must be stored under tables or behind displays. Excelsior or shredded paper is not to be used in crating merchandise.

Failure to provide such a certificate will result in forfeiting any claims to exhibit and no funds will be returned. The exhibitor agrees to indemnify, defend and hold forever harmless Expert Education Institute from any damages or charges imposed for negligence, willful misconduct or breach of this contract by the exhibitor. In addition, the exhibitor agrees to strictly comply with the applicable terms and conditions contained in the agreement between the Beaver Run Resort & Conference Center and Expert Education Institute regarding the exhibit premises.
